

# WHY YOUR SUPPORT IS SO IMPORTANT...

People have individualized wants, needs, and levels of ability, so we cannot take a one-size-fits-all approach to supporting people. Your contribution helps us provide the support people need including:

- **Skilled, well-trained Direct Support Professionals** (ongoing training, coaching, and development)
- **Disability support expertise and experience** to build personalized plans that work in real life
- **Assistive and workplace technology** that increases independence and choice
- **Specialized equipment** that supports safety, comfort, and participation
- **Reliable vehicles** so people can get to work, appointments, classes, and community activities
- **Safe and accessible facilities** where people can learn, create, connect, and belong

The vision of Ark Regional Services is a world that is equitable, respectful, and values the diverse perspectives of all people.

This vision guides Ark Regional Services in fulfilling our mission of supporting people with intellectual and developmental disabilities to actively engage in their lives through new opportunities, healthy relationships, and lifelong learning.

The expenses associated with operating and maintaining an organization that provides the outstanding level of service that this community has come to expect from Ark Regional Services are great. We cannot do it without financial support and contributions from companies, businesses, and individuals that believe in our vision and mission.

Event sponsorship information is available on our website [www.arkregionalservices.org](http://www.arkregionalservices.org) or [facebook.com/ArkRegionalServices](https://facebook.com/ArkRegionalServices)
